Cosyfeet[®] extra roomy

for extra wide or swollen feet

Our specially designed footwear caters to swollen feet, offering significantly more **width, depth, and space** than the standard wide-fitting shoes available from other retailers. As a small, caring company with over 40 years of experience in fitting swollen feet and legs, we are **dedicated to providing the perfect fit.**

All our shoes feature the same extra roomy width fitting (**6E for women and 3H for men**). Even if you're unsure of your exact width, most of our styles are adjustable enough to accommodate **various foot shapes and levels of swelling.** Simply put, if you struggle to find shoes to fit your swollen feet, we're here to help.

"I can't believe I finally have shoes wide enough for my swollen feet."

Our extra extra roomy range

Footwear, socks and hosiery for extremely swollen feet and legs, these products are significantly wider and deeper than our standard extra roomy fitting.

Emma & Ernest

- Designed to fit extremely swollen or bandaged feet, combining the support and stability of a house shoe, with the comfort of a slipper
- Featuring a versatile, wrap-around design with touch-fastening straps at the back and across the top for full adjustability
- They open out completely flat, making them easy to get on and off a swollen foot, they can then be 'rolled up' around the foot for a snug fit
- The deep, seam-free front can accommodate swelling, bandaging, bunions, and problem toes
- Cushioned insoles provide additional comfort and can be removed for extra depth or to fit an orthotic
- Flexible rubber soles are suitable for indoor and outdoor wear

FAQs

What fitting is Cosyfeet footwear?

All our styles have an extra-wide fitting of **6E** for women and **3H** for men.

Don't worry if you don't know the exact width of your feet as most of our styles are very adjustable and can cope with a range of swelling and foot shapes.

What size should I order?

Most customers find that the shoe size they wore before experiencing swelling (e.g. size 6) is wide and deep enough to provide the extra room they need. If we don't offer a half size in the style you want, we recommend you order the smaller full size.

Do I need strap extensions?

Although our footwear straps are longer than average, if you have especially swollen feet or ankles, we supply matching strap extensions which lengthen the straps on most of our touch-fastening styles.

- To order women's strap extensions please quote **LX** followed by the style name and colour.
- To order men's strap extensions please quote **MX** followed by the style name and colour.

All strap extensions are **£5 per pair** (£4.17 without VAT).

How does your 'hidden depth' sole design work?

The sole unit on our 'hidden depth' footwear allows the foot to sit below the sole line. This means that the extra depth is 'hidden' within the shoe so it still looks neat and streamlined.

Do I need to take care if I have diabetes?

Yes. We are aware of the problems that people with diabetes may have and so we offer footwear and socks with minimal seaming. However, not all our products may be suitable for your feet, so you need to make your own judgement or ask a medical advisor. Please run your fingers inside any item before wearing, checking for anything that may harm. After buying new footwear, wear it for 30 minutes to 1 hour at first, then inspect your feet for pressure marks or irritation. A hand mirror is useful so you can examine your whole foot. Gradually build up the wearing time. For more information visit [diabetes.org.uk](https://www.diabetes.org.uk)

Liz, our Cosyfeet Shop Manager and Fitting Expert, answers some of your frequently asked questions.

Can I claim VAT Relief?

Individuals who are chronically sick or disabled can claim VAT Relief on Cosyfeet Extra Roomy Footwear and products showing 'without VAT' prices.

VAT Relief is controlled by HM Revenue & Customs. They say a person is 'chronically sick or disabled' if they:

- Have a physical or mental impairment that has a long-term effect on their ability to carry out everyday activities
- Have a condition that doctors treat as a chronic sickness (e.g. diabetes)
- Or are terminally ill

If you are unsure, please ask your medical advisor, as we are unable to give medical opinions.

If you qualify and want to claim VAT Relief on your first purchase, you must order by post or online or visit our shop in Street. We are unable to accept your first VAT Relief Claim over the phone.
