# WHAT MAKES OUR FOOTWEAR SO SPECIAL?

## There's wide fitting and then there's Cosyfeet!

Specially designed to fit and flatter swollen feet, our footwear is much wider, deeper and roomier than the wide-fitting footwear you'll find on the high street. We are a small, caring company with over 40 years' experience of fitting swollen feet and legs.

All of our footwear has the same extra roomy width fitting (**6E for women and 3H for men**). Don't worry if you don't know your width fitting as most of our styles are adjustable and can cope with a range of foot shapes and swelling. To put it simply, if you have swollen feet and you can't find footwear to fit, we can probably help.

*"I can't believe I finally have shoes wide enough for my swollen feet."*

## ROOMIER THAN ANYTHING

*you'll find on the high street*

## OUR PRODUCT FEATURES

We hide the extra depth within the sole, so the shoe still looks neat and streamlined.

Strap extensions can lengthen the straps on most touch-fastening styles.

Made with minimal seaming, these products are suitable for sensitive feet. However, please make your own judgement before wearing.

Many of our products are made in the UK.

# WHERE QUALITY & STYLE MEETS COMFORT

Our footwear is made by experienced craftspeople who mix traditional skills, premium-quality materials, and state of the art technologies to give you the most comfortable footwear possible. Innovations such as our 'hidden depth' design, ensures our footwear fits swollen feet with ease, but still looks stylish and streamlined. Our fabric shoes and the majority of our slippers are made in the UK, along with many of our socks. We also have workshops in Portugal and Spain, countries renowned for the quality of their leather footwear. Our hand-finished leathers are beautifully soft and supple, the linings of our shoes maximise breathability and our lightweight, durable soles, and cushioned footbeds further enhance your underfoot comfort.

## ENDORSED BY UK EXPERTS

We are highly recommended by healthcare professionals, and also recognised by the Healthy Footwear Guide – a collaboration between UK footwear brands and foot health professionals.

# FAQs

## What fitting is Cosyfeet footwear?

All our styles have an extra-wide fitting of **6E** for women and **3H** for men.

Don't worry if you don't know the exact width of your feet as most of our styles are very adjustable and can cope with a range of swelling and foot shapes.

## What size should I order?

Most customers find that the shoe size they wore before experiencing swelling (e.g. size 6) is wide and deep enough to provide the extra room they need. If we don't offer a half size in the style you want, we recommend you order the smaller full size.

## Do I need strap extensions?

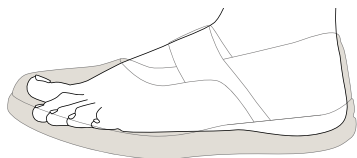

Although our footwear straps are longer than average, if you have especially swollen feet or ankles, we supply matching strap extensions which lengthen the straps on most of our touch-fastening styles.

- To order women's strap extensions please quote **LX** followed by the style name and colour.
- To order men's strap extensions please quote **MX** followed by the style name and colour.

All strap extensions are **£5 per pair** (£4.17 without VAT).

## How does your 'hidden depth' sole design work?

The sole unit on our 'hidden depth' footwear allows the foot to sit below the sole line. This means that the extra depth is 'hidden' within the shoe so it still looks neat and streamlined.

## Do I need to take care if I have diabetes?

Yes. We are aware of the problems that people with diabetes may have and so we offer footwear and socks with minimal seaming. However, not all our products may be suitable for your feet, so you need to make your own judgement or ask a medical advisor. Please run your fingers inside any item before wearing, checking for anything that may harm. After buying new footwear, wear it for 30 minutes to 1 hour at first, then inspect your feet for pressure marks or irritation. A hand mirror is useful so you can examine your whole foot. Gradually build up the wearing time. For more information visit [diabetes.org.uk](http://diabetes.org.uk)

Liz, our Cosyfeet Shop Manager and Fitting Expert, answers some of your frequently asked questions.

## Can I claim VAT Relief?

**Individuals who are chronically sick or disabled can claim VAT Relief on Cosyfeet Extra Roomy Footwear and products showing 'without VAT' prices.**

VAT Relief is controlled by HM Revenue & Customs. They say a person is 'chronically sick or disabled' if they:

- Have a physical or mental impairment that has a long-term effect on their ability to carry out everyday activities
- Have a condition that doctors treat as a chronic sickness (e.g. diabetes)
- Or are terminally ill

*If you are unsure, please ask your medical advisor, as we are unable to give medical opinions.*

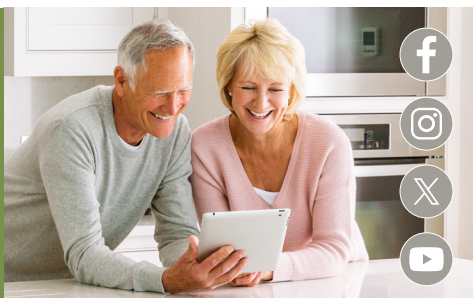

**If you qualify and want to claim VAT Relief on your first purchase, you must order by post or online or visit our shop in Street. We are unable to accept your first VAT Relief Claim over the phone.**

**If posting your order please ensure that you complete the VAT Relief section on the order form with your signature (or that of someone who can sign for you). If you are ordering online please fill out the online VAT Relief section when ordering.**
