## What makes our footwear so special?

There's wide fitting and then there's Cosyfeet!

Specially designed to fit and flatter swollen feet, our footwear is much wider, deeper and roomier than the wide-fitting footwear you'll find on the high street. We are a small, caring company with 37 years' experience of fitting swollen feet and legs.

**ROOMIER THAN ANYTHING**  
you'll find on the high street

## WHERE QUALITY & STYLE MEETS BLISSFUL COMFORT

We believe that swollen feet should have the most comfortable, stylish footwear possible. That's why we combine the latest trends with premium materials, expert shoemaking and advanced foot comfort technology. Thanks to innovations such as our 'hidden depth' design, our footwear fits swollen feet with ease but still looks stylish and streamlined.

## ENDORSED BY UK EXPERTS

Over 11,000 healthcare professionals, including podiatrists and occupational therapists, recommend Cosyfeet. We are also recognised by the Healthy Footwear Guide, a collaboration between UK footwear brands and foot health professionals.

## IS COSYFEET RIGHT FOR YOU?

Cosyfeet is specially designed to fit swollen feet. Some styles can also fit bunions, problem toes and bandaging. All our footwear has the same extra roomy width fitting (6E for women and 3H for men). But don't worry if you don't know your width fitting. Most of our styles are adjustable and can cope with a range of foot shapes and swelling. To put it simply, if you have swollen feet and you can't find footwear to fit, we can probably help.

## OUR **extra roomy** FOOTWEAR

- Wider, deeper & roomier than any footwear on the high street
- Easy to get on & off swollen feet
- Fits a range of swelling thanks to adjustable fastenings
- Can also fit bunions, problem toes & bandaging
- Some styles are suitable for orthotics

# FAQs

## What fitting is Cofsyfeet footwear?

All our styles have an extra-wide fitting of **6E** for women and **3H** for men.

Don't worry if you don't know the exact width of your feet as most of our styles are very adjustable and can cope with a range of swelling and foot shapes.

## What size should I order?

Most customers find that the shoe size they wore before experiencing swelling (e.g. size 6) is wide and deep enough to provide the extra room they need. If we don't offer a half size in the style you want, we recommend you order the smaller full size.

## How do I order strap extensions?

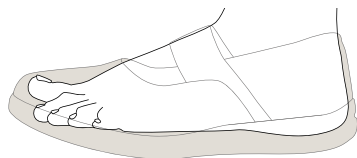

If you have especially swollen feet we can supply matching strap extensions to lengthen the straps on most touch-fastening styles.

- To order women's strap extensions please quote **LX** followed by the style and colour.
- To order men's strap extensions please quote **MX** followed by the style and colour.

All strap extensions are **£4.50 per pair** (without VAT £3.75).

## How does your 'hidden depth' sole design work?

The sole unit on our 'hidden depth' footwear allows the foot to sit below the sole line. This means that the extra depth is 'hidden' within the shoe so it still looks neat and streamlined.

## Do I need to take care if I have diabetes?

Yes. We are aware of the problems that people with diabetes may have and so we offer footwear and socks with minimal seaming. However, not all our products may be suitable for your feet, so you need to make your own judgement or ask a medical advisor. Please run your fingers inside any item before wearing, checking for anything that may harm. After buying new footwear, wear it for 30 minutes to 1 hour at first, then inspect your feet for pressure marks or irritation. A hand mirror is useful so you can examine your whole foot. Gradually build up the wearing time. For more information visit **[diabetes.org.uk](http://diabetes.org.uk)**

## Can I buy single or mixed pairs of footwear?

Yes – only in the following slipper styles:

### WOMEN'S

**Holly Navy (F8)**  
Pg 47

**Half pair £20**  
(£16.67 without VAT)

**Elise Navy (E4)**  
Pg 53

**Mixed pairs £40**  
(£33.33 without VAT)

### MEN'S

**Richie Navy (T1)**  
Pg 139

**Half pair £24**  
(£20 without VAT)

**Robbie Charcoal (M5)**  
Pg 140

**Mixed pairs £48**  
(£40 without VAT)

## Can I claim VAT Relief?

Individuals who are chronically sick or disabled can claim VAT Relief on Cosyfeet Extra Roomy Footwear and products showing 'without VAT' prices.

VAT Relief is controlled by HM Revenue & Customs. They say a person is 'chronically sick or disabled' if they:

- Have a physical or mental impairment that has a long-term effect on their ability to carry out everyday activities
- Have a condition that doctors treat as a chronic sickness (e.g. diabetes)
- Or are terminally ill

*If you are unsure, please ask your medical advisor, as we are unable to give medical opinions.*

**!**  
*If you qualify and want to claim VAT Relief on your first purchase, you must order by post or online or visit our shop in Street. We are unable to accept your first VAT Relief Claim over the phone.*

**If posting your order please ensure that you complete the VAT Relief section on the order form with your signature (or that of someone who can sign for you). If you are ordering online please fill out the online VAT Relief section when ordering.**

Once we receive your form we'll register you so that you can place subsequent orders by phone.

Proudly supporting 2020/21

## Cosyfeet Charity of the Year

## Rowan

A lightweight shoe that's ideal when nothing else will fit. It looks surprisingly neat on the foot and is very adjustable, with an extra low opening that makes it easy to put on very swollen or bandaged feet. As it has an EVA sole and the back is less supportive than our other styles, it may not be suitable if you're very active.
